

INSTRUCTIONS

FOR THE INTERNATIONAL SCULPTURE SYMPOSIUM

will be held in the courtyard of the Morges castle **15 to 26 June 2022**

ORGANIZATION

The Organization Committee of the SidS (hereafter Committee) is responsible for the entire event. The participants are kindly pleased to conform to the decisions of the Committee.

PARTICIPANTS

All artists from Switzerland and abroad are welcome to take part in the SidS.

REGISTRATION FEE

There is no registration fee.

INVITED GUESTS

INSURANCE

The participants must have their own personal health insurance and their own accident insurance.

It is advised to subscribe for an international insurance for the duration of the Symposium.

The Committee cannot be held responsible for any loss, injury or damage to property, whatever the cause may be.

MATERIAL PROVIDED

The Committee provides the basic material for the artists: stone: block (Burgundy limestone, Buffon d'Etrochey, hardness 8/15), size approx. 40 x 40 x 80 cm (approx. 200 to 300 kg), i.e. one working pedestal, one tent of 3 x 3m. The participants must use their own tools.

The workplace must be cleaned at the end of each day.

TOTAL PROHIBITION OF POWER TOOLS

All work is made by hand, from the first day until the end the Symposium.

ADDITIONNAL MATERIAL

The additionnal material must not be over 15% of the total sculpture, exception of pedestal.

EXHIBITION IN THE CASTLE OF MORGES

The sculptors have the opportunity to bring two of their works (max. 50 kg) or 4 small pieces (max. 15x15x15 c.) and exhibit them in the castle's inside yard (sales may be possible). The pieces which are not sold are taken back by the sculptors. The Castel provides a limited number of pedestals. These will be attributed in priority to the sculptors who fly. Consequently the sculptors who can take their own pedestal are recommended to do so. The exhibited art works are under your responsibility. The Symposium as well as the Castle decline all responsibilities in case of damage. That's why you are asked to protect them at the end of each day before the closing of the Castle.

SALES COMMITTEE

The Sales Committee made up of two representatives for the artists and the technical representative of the Organization Committee estimate the value of the work done during the Symposium in agreement with each artist. The final decision is up to the artist.

SALES

The sculptures are put on sale during the Symposium. If works are sold, the Committee retains 30% of the selling price until 31st December of the current year. With regard to the next two yeasers, the Committee retains 50%.

During this period, the artist can at any time recover his sculpture at his own expense but after 2 years the SidS becomes the owner of the work.

PRIZES AWARDED

The Public Award, The Children Award, The Artist Award, The Town of Morges Award and Morges Région Tourism Award.

OPENING HOURS

From 9 am until 6 pm every day including evenings until 9 pm, dates to be defined.

The presence of the artists is required during these hours.
